Why I Sit Shy In My Niche
(or Cheshire Cat...sort of)

Black Star on Oprah
like a potentate, half-
lidded eyes and
quarter answers

to her best nature. Cool, like
he's brilliant-cool, man! Then!
on catapults Cocoa-Ingenue,

MEGA-everything's

hilarious. Chews the scenery.
Potentate, he

surlies up whenever camera
apprehends him. Her smile, an

asshole
with teeth,

sustains.
